

*Are you thinking of starting services, and
need a safe, positive environment for your
young children?
Are you worried about your family staying
together?*

WE CAN HELP

For parents participating in Willamette Family services, their children 6 weeks through 6 years of age may attend the Child Development Center's (CDC) onsite classes which are easily accessible and specifically attuned to each child's needs. Located at Willamette Family's Women's Residential Treatment Center, the CDC provides high-quality childcare and early educational experiences that enhance children's development while supporting families in their treatment, recovery and parenting roles.

WORRIED ABOUT THE COST?

Funding through the State may be available. Cash or credit payment is accepted on a sliding fee scale.

ABOUT WILLAMETTE FAMILY

Willamette Family has proudly served Lane County for over 50 years, providing detox and treatment for substance use disorders. Over the years our services have been enhanced to include Mental Health Treatment for adults and children, Primary Medical Care, parenting classes, Family Services, Peer Support Services, and a myriad of transitional services. These services are designed to assist the individual transition back into the community and to reunite with their families.

OUR SERVICES...

CHILD DEVELOPMENT CENTER

The Willamette Family Child Development Center (CDC) is licensed by the Child Care Division of the State of Oregon and is the only program of its kind in Lane County. Inclusive classrooms offer a nurturing environment and are designed to address the developmental and specific needs of children from 6 weeks through 6 years old within their specific age group. The CDC is accessible to parents who are participating in Willamette Family services.

BENEFITS OF THE CHILD DEVELOPMENT CENTER:

- » A focus on play and exploration ensures children thrive in their development and enter school ready to learn.
- » Parent involvement in their child's educational and daily activities.
- » Daily activities that build strong attachments and bonding essential for strengthening families.
- » Experienced staff who meet or exceed annual education and training requirements.

FUNDING

There are no sources that adequately provide funding for the Child Development Center. Partial State funding, a few small grants, and donations provide support for some classes. Ongoing community contributions are greatly appreciated.

WHAT CAN I EXPECT?

- » Licensed childcare by trained and experienced staff
- » Mentoring
- » Parent-child activities
- » Developmental screenings
- » Parenting education
- » Nutritious meals and snacks
- » Referrals to appropriate services
- » Low teacher-to-child ratio
- » Focus on family reunification and stabilization
- » Support with immunizations and healthcare
- » Extensive wrap-around services

HOW DO I KNOW IF MY FAMILY QUALIFIES?

If you are participating in Willamette Family Treatment Services and your child is between the ages of 6 weeks through 6 years of age, you may qualify to access the Child Development Center.

HOW DO I ACCESS THE CDC SERVICES?

Call or visit our Rapid Access Center (RAC) to complete an assessment.
